- All orders will be shipped by the agreed method and the customer will be responsible for all costs.
- All taxes will be charged without an exemption certificate or vendor permit.
- Please send Customs Broker's name, fax number, and Import Permit for customers outside Canada.
- ***Note:*** *Unless specified otherwise above, seed not currently in stock will be shipped when the seed becomes available, and invoiced at the prices in effect on the date of shipment.*
- **Breaking Seed Dormancy:** Tree seed requires a period of moist-cold temperatures referred to as "stratification" to break dormancy. This is necessary with seeds that have an immature or dormant embryo when harvested.

Buyer verifies that the above order is correct and accepts the terms and conditions of sale stated in the catalogue.
