

2009 Mandatory Questionnaire for Resident Black Bear Hunters

Regulations under the Fish and Wildlife Conservation Act, 1997, require that **all residents who purchase a black bear hunting licence complete the mandatory questionnaire** below and submit it to the ministry by **December 15, 2009**. **You must submit a report even if you did not bear hunt.**

At the end of your hunting activity for the year, please complete the questionnaire below, and tear off this page and mail it in an envelope to the following address:

**Ministry of Natural Resources
Big Game Harvest Assessment Program
1350 High Falls Road
Bracebridge, ON P1L 1W9**

Copies of this questionnaire are available at ServiceOntario Centres and ontario.ca/hunting.

Personal information contained on this form is requested under the authority of the Fish and Wildlife Conservation Act, 1997, and will be used for the purposes of administration of the act, population management and harvest assessment. Questions about the collection of this information should be referred to:

Ministry of Natural Resources Wildlife Surveys Officer,
1350 High Falls Road, Bracebridge, ON P1L 1W9, telephone (705) 646-5541.

Last Name: _____ First Name: _____ Middle Initial: _____

Your Outdoors Card Number is:

7 0 8 1 5 8

Resident Black Bear Hunting Licence No.

B

1. (a) Did you specifically hunt for bears in 2009? Yes No
 (b) Did you hunt bears while deer or moose hunting? Yes No
2. For each Wildlife Management Unit (WMU) in which you hunted bears in 2009, provide the following information relating to **your** activities while bear hunting (if the answer is none, enter the number "0"):

	WMU <input type="text"/> <input type="text"/> <input type="text"/>	WMU <input type="text"/> <input type="text"/> <input type="text"/>	WMU <input type="text"/> <input type="text"/> <input type="text"/>
Number of days spent hunting bears			
Number of live bears seen while bear hunting			

3. Did you attach the **bear game seal that came with your licence** to a bear (no matter who shot the bear)? Yes No
 If yes,

(a) What sex was the bear? Female Male
